As a Christian college, the gospel message of our Lord and Savior is central in all we do at Bethany Lutheran College. You will be taught from a Christian perspective, as based on the Holy Bible. A Christian worldview is integrated into all aspects of Bethany's curricular and co-curricular activities. Students are invited to participate in worship opportunities in Chapel every weekday at 10:00 AM, attend Bible studies, and worship at area churches in the Mankato community.

Please see our [Spiritual Life](#) page to learn more about Bethany's focus on faith both in and out of the classroom.

Residential Meal Plans/ Exemptions from Meal Plans

All on-campus residential students are required to subscribe to the continuous access full meal plan. This plan grants students unlimited daily access to Dining Services during the hours of operation.

Students living in on-campus apartment-style housing may choose the continuous access full meal plan or select a reduced 5 or 10 meal plan, which allows a student to eat any 5 or 10 meals each week, when regular board meals are scheduled.

Requests to change meal plans must be made within the first ten days of each semester.

Dining Services is able to accommodate a wide range of dietary restrictions. It is the responsibility of the student to communicate with Dining Services the need for a specific accommodation. Requests for an exemption from a required on-campus meal plan will be considered only for a student whose medical doctor, having reviewed menus and methods of preparation, states that the student cannot or must not eat the food at Bethany for medical reasons. It is also required that Dining Services be allowed to attempt to accommodate a student's diet before being granted an exemption for medical reasons. If it is determined that Dining Services is unable to accommodate the medically defined dietary restrictions, the request for exemption will be considered by the College.

Off-campus Student Meal Plans

Students living off-campus may purchase a meal plan offered by the College, including the continuous access plan or a reduced 5 or

10 meal plan. Please inquire with the Business Office or the Office of Student Affairs for costs. An alternative would be to purchase Flex Dollars, as described below, or simply pay at the door.

Announcement Services

Sources of Announcements

Announcements of importance to students are made in several ways. The Daily Bulletin is emailed to all students on a daily basis and contains information beneficial to the campus community. It is also available online at blc.edu/db and on [MyBLC](#). On occasion, announcements are made at the beginning or end of the chapel service, by way of memos placed in every mailbox, via email, or on electronic sign-boards posted throughout campus. Students are responsible for routinely checking their campus email account, as that is the official means for college communication to students. Emergencies can be broadcasted via an emergency notification PA system, email, or mass text message to those who opt in for the service.

Announcements by Students

Students may use the Daily Bulletin for announcements, and may make the submission by emailing lance.schwartz@blc.edu with their announcement. Announcements via electronic sign boards must be placed through the appropriate faculty, staff or club advisor.

Posters

Students may use designated bulletin boards throughout the campus for announcements. Posters and announcements may not be attached to walls or doors of any buildings

on campus. Posters not in congruence with the mission of the College will be removed.

Solicitation

Student solicitation of any kind (approaching students to purchase items, products or services) is prohibited on the campus of Bethany Lutheran College. All such activity should be reported to the [Dean of Students](#) or [Campus Security](#).

Property Insurance

Bethany respects the possessions of all and seeks to protect what rightfully belongs to individuals. It however is the student's responsibility to ensure the safety and security of their personal belongings. Bethany is not responsible for lost, stolen, or damaged property belonging to students. Please insure your personal property to protect against loss and damage and take precautions, such as locking your doors and not leaving items unattended, to guard against theft. This also applies to student vehicles and their contents.

Keys and Key Fobs

All students are provided an electronic key fob, programmed for access to assigned areas such as the student's residence hall, Old Main Student Union, and academic buildings or facilities as appropriate. Residential students will have a key for their residence and mailbox. Off-campus students are issued a key for their mailbox. If any of these are lost or become non-functional, a student should immediately contact [Campus Security](#) at (507) 344-7888 or the Meyer Hall front office at [MH 205](#) (507) 344-7736. In the case of a lost/stolen key or fob, timely notification is required to take necessary security precautions. Failure to notify of a

lost/stolen key or fob may jeopardize the safety and property of others. Consequently, failure to report may result in a fine of \$100.00 and/or loss of other privileges. The cost for replacement is \$20.00 for each fob or key. Replacements will be provided once payment is made with the Business Office.

ID Cards

Students are issued an ID card at the beginning of their first year to be used as long as they are enrolled at Bethany. The ID card is required for meals, library check-out, and other identification purposes.

Replacement cost for a lost or stolen card is \$10. Payment must be made in the Business Office and then the receipt brought to the [Memorial Library](#) for a replacement card. Access to dining services may be denied if a student has not replaced a lost ID card within 48 hours.

Master Calendar/Facilities Calendar

The Event Services Office contains the master calendar of all campus events and maintains the facilities calendar which indicates which buildings or rooms are available. Any organization planning an activity on campus should contact the Coordinator of Campus and Community Events at (507) 344-7777 to ensure the date, time, and facility are available. Most public events are listed on the [Event Calendar](#).

Lost and Found

A lost and found is maintained by Campus Security in Old Main. Periodic notices will be sent to the campus community seeking the rightful owner of lost and found items. Check with Campus Security or your Resident Hall Coordinator for items lost in

the Residence Halls. Any unidentified items will be maintained for the duration of the academic year, at which time the College will dispose of any unclaimed items as it sees fit.

Post Office

Mail arrives on campus in the morning and is usually placed in student mailboxes by 1:00 PM. The Post Office does not deliver mail on holidays or weekends. Students may purchase postage and send packages from the Spirit Store.

The Drug-Free Schools and Communities Act

Bethany Lutheran College is committed to preventing alcohol abuse and unlawful possession, use, and distribution of alcoholic beverages and drugs. Violations of Bethany Lutheran College's standards of conduct concerning drugs and alcohol include, but are not limited to:

- Possession, use, or being in the presence of alcohol on campus by any student or guest.
- Illegal use, possession, distribution, or sale of alcohol off campus by any student.
- Intoxication of any student on or off campus.
- Illegal use, possession, or distribution of drugs, including prescription medications when used outside of the manner in which prescribed, or being in the presence of such use, possession, or distribution, on or off campus.
- Reasonable suspicion of unlawful drug use (odor, behavior, environmental factors, etc.) that in the judgement of College officials constitutes a preponderance of evidence.

Bethany will impose sanctions on a student (consistent with local, state, and federal law) according to the sanctioning guidelines of the alcohol and drug section of the standards of conduct. A student may also be required to attend a drug and alcohol treatment program and/or to seek special counseling at the student's expense if it is determined that the student has a dependency or abuse problem. Such a program or counseling may be required as a condition for continued enrollment.

In compliance with the Drug Free Schools and Communities Act of 1989 **drug and alcohol information** is annually distributed to students and is available in printed form from the Dean of Student's Office including:

- Health risks associated with the use of illicit drugs and the abuse of alcohol.
- Applicable legal sanctions under state and federal law for unlawful possession, use, or distribution of illicit drugs and alcohol.
- Drug or alcohol counseling, treatment, rehabilitation and re-entry programs that are available to students.

There are several community facilities, programs and counselors that can provide drug and alcohol counseling, assessment, treatment and/or rehabilitation programs. They include:

- **Addiction Recovery Technologies of Mankato**, 2116 Mankato Place Phone: (507) 345-4670

- Alano, Phone: (507) 387-2772
- **WLCFS-Christian Family Solutions**, On-Campus Clinic, Phone: (800) 438-1772

Bethany Lutheran College will conduct an annual alcohol and drug awareness program and will conduct a biennial review of this program to determine its effectiveness. The College will implement changes if they are needed and ensure that the sanctions are consistently enforced.

Sanctioning Guidelines for Alcohol & Drug Violations

The Standard Sanctions have been adopted by Bethany Lutheran College to respond to violations of the Standards of Conduct relating to alcohol and drugs. Incidents involving alcohol and drugs which are not described in the Standard Sanctions will be handled on a case-by-case basis in light of all the circumstances.

Examples of specific situations to which Standard Sanctions do not apply are as follows:

1. Where an alcohol or drug related emergency exists and proper assistance is given. See **Amnesty through Good Samaritan Action**;
2. Where a student is found to have engaged in multiple violations of the Standards of Conduct in a single incident, rather than solely in the violation addressed by the Standard Sanction;
3. Where a student is already on a judicial sanction status equal to, or greater than, the Standard Sanction for a subsequent offense;

4. Where a specific incident presents exacerbating circumstances, an ongoing risk to persons or property, or other serious concerns; and/or
5. Where the student is on current disciplinary probation, thus the violation may be subject to more severe sanction.

In these situations, the appropriate sanctions will be determined on a case-by-case basis in light of all the circumstances. Generally, these situations will result in sanctions in excess of the Standard Sanction.

The presence of substantial mitigating or other appropriate circumstances may result in the reduction of a Standard Sanction at the discretion of the Dean of Students, his designee, or the Dean's Advisory Committee.

Amnesty through Good Samaritan Action: Alcohol Medical Assistance

At Bethany Lutheran College, the wellbeing of students is of primary importance. Every student plays a critical role in creating a community of care, concern, and coming to the assistance of one another. When students believe that assistance for an intoxicated or impaired individual (including themselves) is needed to ensure the student's wellbeing, it is critical that they take responsible action and seek assistance for that student. To encourage students to take responsible action when medical attention is necessary, Bethany Lutheran College will not hold students who initiate medical evaluation or intervention (for themselves or for others), or for whom such action is taken, accountable for violations of the College's alcohol policies, namely the fine or monetary aspect of campus sanctions.

To be eligible for Amnesty through Good Samaritan Action students must:

1. **CALL** for help: In medical emergencies, immediate action should be taken by calling 911. Help can also be sought by contacting Campus Security (507.344.7888) or, for students in residence halls, contacting Residential Life Staff.
2. **STAY** with the person until appropriate medical help arrives and you have been told your assistance is no longer needed.
3. **COOPERATE** with responding staff and/or emergency personnel, including all requests for information and assistance.

In a situation where a student takes responsible action (for themselves or for others) and calls, stays and cooperates or has such action taken for them, the responding party (e.g., Campus Security, Residential Life Staff) will fully document the incident. Students will be expected to promptly respond to any meeting requests from appropriate staff members, including those involved in the conduct process regarding the incident.

If it is determined that the student followed all required steps to be eligible for Amnesty through Good Samaritan Action (Call, Stay, and Cooperate) the student will not be sanctioned for an alcohol related policy violation with few exceptions noted in the next paragraph. Any exceptions are subject to the discretion of the Dean of Students (or designee).

It should be noted that in the best interest of the student, the student may still be required

to participate in an alcohol or drug education awareness program or may be required to seek an evaluation for substance abuse and to follow treatment recommendations. As with any incident involving alcohol, parents of students under the legal drinking age will be notified.

Amnesty through Good Samaritan Action applies only to alcohol related policies. Amnesty does not apply if any Bethany staff initiates medical evaluation. If other policy violations occurred, or may have occurred, the student will be subject to the student conduct process related to those policies and may be found responsible. Amnesty does not apply to other criminal activity such as assault, property damage, driving under the influence, or presence of other illicit substances, and the exception does not suggest that laws or policies should be violated in order to help individuals.

Students must agree to timely completion of any recommended assessment, educational assignment, and/or treatment. Serious, flagrant, or repeated incidents will prompt a higher degree of concern and action. In the event that a student who receives medical assistance fails to comply with the required course of action or exhibits a pattern of problematic behavior with alcohol, that student may be subject to additional sanctioning actions.

Should the student be found responsible for a subsequent violation of college policies, including those related to alcohol, the College may modify the outcomes in a spirit of concern for the student and/or community's wellbeing.

Sexual Harassment / Violence

Bethany Lutheran College is committed to maintaining high standards of respect and civility, and takes sexual misconduct seriously. All staff or faculty (other than those listed as Confidential Resources) are required to report any knowledge they have about sexual assault, relationship violence, or stalking to the Title IX Coordinator.

Please see the [Sexual Misconduct](#) page for the complete policy and reporting options.

The Crime Awareness and the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act

Criminal actions or other emergencies occurring on campus are to be reported to Campus Security at 344-7888, the Dean of Students at 344-7330 or the local police at 911. The College will contact the local police concerning criminal actions or other emergencies when they feel it is necessary to do so.

When school is in session, the residence halls of Bethany Lutheran College are locked 24 hours a day. Students may use their access key FOB for entrance into their respective residence hall. Doors are not to be propped open. Visitors wishing to enter a residence hall must be the guest of at least one student residing in the respective residence hall. For other facility hours, see the section of this Student Guidebook entitled 'Facility Hours.' Students and visitors are not permitted in buildings after lock-up without authorization of faculty or staff.

A Bethany Campus Security Officer is on duty every night in order to provide security and safety services to the campus. In cases of emergency or for escort services to and from the parking lots or anywhere else on campus, students may call 344-7888.

Bethany informs students about campus security procedures and encourages students to be responsible for their own security and the security of others by means of new student orientation sessions, the Student Guidebook, the Freshmen Seminar course, and residential life meetings.

Any criminal actions that occur at off-campus locations which are controlled and used by the College or student organizations for college related purposes will be monitored by and are to be reported to the local police having jurisdiction. Bethany will make a reasonable effort to obtain local police reports of criminal activity that occurred at these locations while Bethany was in control and using them.

Bethany will distribute timely reports to students concerning campus crimes considered to be a threat to other students and employees that are reported to the Dean of Students or the local police. Such reports

are to aid in the prevention of similar occurrences.

Annual Security Report and Crime Statistics

Bethany Lutheran College's annual security report is published in accordance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. The document describes the College's security policies for on-campus housing, access to facilities, notification of threats to the community, alcohol and drug use, etc. Statistics reported over the past three years for crimes that occurred both on-campus and in the surrounding community are also included. Students can access the report at www.blc.edu/security or obtain a paper copy by contacting the Security Services office at 507-344-7000.

The Drug-Free Schools and Communities Act

Please see Bethany Lutheran College's policies regarding [alcohol, drugs and sanctions](#).

Higher Education Act of 1998 | Voter Registration

No later than 120 days before the state's voter registration deadline, the College will request a sufficient number of voter registration forms for all students physically in attendance at the College. The College will make a good faith effort to distribute forms received from the state to each student in physical attendance at the institution and will make such forms widely available at the College, so long as the forms are received by the College within 60 days prior to the voter registration deadline. More

information regarding voting and registering to vote can be found at www.mnvotes.org.

Residential Policy

Bethany Lutheran College believes that living on campus benefits students in many ways, including developing personal and social relationships, having convenient access to campus services, and assisting in full engagement with all that the college experience has to offer. In support of this premise, Bethany requires all full-time students to live on campus for the first two academic years (four semesters) and participate in a board (meal) plan unless:

1. The student is living at home in the immediate area with their parents or legal guardian.
2. The student has reached the age of 21.
3. The student is married.
4. The student has dependent children.

Special requests for exceptions to this residency requirement must be made in writing to the **Coordinator of Residential Life**. Students entering Bethany as transfers should consult with the Coordinator of Residential Life about meeting the intent of the two-year residency requirement.

Bethany reserves the right to deny housing to any student in its sole discretion.

NOTES: Failure to comply with the residential policy may result in cancellation of course registration. Bethany typically places first-year or new student roommates according to the **housing application form** and attempts to honor mutual roommate requests. Bethany does not house PSEO students under the age of 18. Bethany reserves the right to place roommates as the needs of the College require.

Residence Halls

Opportunities to live on campus include the following **residence halls**:

- **Anderson Hall** (women)
- **Edgewood Place** (upper-division women)
- **Larson Hall** (men/women as needed)
- **Gullixson Hall** (men)
- **Teigen Hall** (men)
- Other satellite housing units (utilized as needed)

Resident Staff

The residence halls are staffed with Resident Hall Coordinators and Resident Assistants (RAs). The Hall Coordinators are live-in staff members who provide leadership, oversight, and direction for our residence halls. They are a resource to all the residents in the building offering help, guidance, and assistance as needed. RAs are student residents who assist other residents and develop community. Both the Hall Coordinators and the RAs function to promote a Christian atmosphere in the halls and on the campus. They help students attain their highest potential academically, socially and spiritually. Students are encouraged to seek out their help at any point. The resident staff is also responsible for enforcing college policies and regulations. The cooperation of all residents and guests is expected when resident staff members are carrying out this responsibility.

Housing Arrangements

Housing Deposit

A \$100 housing deposit is collected from all residential students when they apply for housing. It covers the cost of damages to college property, cleaning fees, unreturned library books, and other costs that are the student's responsibility. Under normal conditions, this deposit is not credited or refunded until the semester after the student has left BLC.

Check-in/Check-out

All students must review and sign the check-in form when moving into their residence. Conversely, all students must review and sign their check-out form when moving out of their residence. Students are financially responsible for any damage or change they caused to the condition of their residence, wing or residence hall. Failure to follow this

procedure may result in the loss of the student's housing deposit.

Requests for Room Changes

Policy

Bethany Lutheran College does not discriminate on the basis of sex, color, religion, age, national origin, marital status, familial status, pregnancy, citizenship, creed, genetic information, disability, veteran status, status with regard to public assistance, membership in a local human rights commission, or other categories protected by law, in the administration of its educational policies, admissions policies, financial aid programs, and other school-administered programs. The College adheres to the requirements of **Title IX of the 1972 Education Amendments, Sec. 504 of the Rehabilitation Act of 1973, and the ADA policy of 1990**. The College is authorized under federal law to enroll non-immigrant international students. **Concerns regarding Title IX should be directed to the College's Title IX Officer.**

Under normal conditions, students must wait until the third week of each academic semester to request room changes. Students are generally allowed one free room change per academic year. Any additional or unauthorized moves may cost \$100 per move.

In situations involving roommate conflict, students are encouraged to work through the issues with their roommate(s). Students may also ask Residential Life staff to provide mediation assistance.

Students must follow the process outlined below to request a room change.

If the request to change rooms is granted, the student must review and sign the appropriate check-in/check-out forms with her/his Res-Life Staff.

Process

Submission of Request: All requests for room changes must be made in writing to the appropriate Resident Hall Coordinator using the Request for Room Change form available from the Resident Hall Coordinators.

The Resident Hall Coordinator will respond to the request within ten days of the Resident Hall Coordinator's receipt of the Request for Room Change form.

Appeal of Decision: Students whose request for a room change is denied have the right to appeal the decision by filing a formal grievance with the College as outlined by the College's grievance policy and process available from the College's Equal Opportunity Coordinator: contact the Coordinator of Human Resources, 213 Old Main; 344-7840.

Private Rooms

All residential students generally reside with a roommate(s) during their residency on campus. Private rooms may be available in certain locations by student status (ie. upper division) and as space is available. Contact the Office of Residential Life for more information.

The need for a private room for medical reasons must be substantiated with documentation from a licensed and practicing physician. Contact the Office of Residential Life or the Academic Resource Center for more information or to obtain a

Housing Accommodation Form to initiate the request process.

Married Housing

Bethany does not generally provide housing for married students.

Care of Residence Halls/Public Spaces

Out of respect for other residents and the campus community, students are expected to help keep the campus and residential halls as neat and clean as possible. Students can help by picking up trash and by cleaning up after themselves in the bathrooms, lounges, laundry rooms, and other spaces. Students should report any repair needs to the Resident Hall Coordinator of the building.

NOTE: Damage to public areas is the financial responsibility of all students of the pertinent residence hall. If it cannot be determined who is responsible for such damage, sanctions, such as fines, may be assessed to all occupants of the floor or hall.

Room Care and Decorations

Bethany wants all residential students to feel comfortable and at home in the res-halls, and students may decorate their space to make it their own. For the sake of safety, maintenance, cleanliness, and upholding Bethany's Christian moral standards, the following policies have been established to guide students in decorating their space. Failure to adhere to these policies may result in **sanctions** by the College. Students may direct any questions regarding room care, decorations, or any of the following policies to Res-Life Staff.

1. All residential students complete a Check-In Form at the time of taking occupancy of their room. This form is referenced at the time of Check-Out to assess for any damages to the room. Rooms must be restored to their original condition at the end of the year.
2. For health and safety reasons, students are responsible for the cleanliness of their rooms. Garbage must be routinely removed and dispensed of in the dumpsters outside of each res-hall.
3. Lounge or study room furniture has been provided for public spaces and may not be used as personal room furniture. Likewise, college-owned room furniture should remain in its individual residential spaces.
4. Bethany provides manufactured lofting kits for loftable beds in select res-halls. Other lofts, platforms, partitions, room dividers, or other structures are not permitted.
5. Decorations should be affixed with materials that can be easily removed from the wall without causing damage or leaving residue. Small nails, tacks, and removable tape are allowed. '3-M Command Strips' are prohibited on plaster walls as they tend to peel the paint and plaster.
6. One (1) refrigerator per resident is permitted (rated no more than 2.5 amps) with a maximum of two (2) per room.
7. Electrical appliances which generate excessive heat or contain heating elements are not permitted in rooms for fire safety. Examples include: hot plates, microwaves, space heaters, halogen lamps, popcorn poppers, toaster ovens, and air conditioners.
8. Electrical appliances that are permitted in **Edgewood Place** or Gullixson apartments include: microwaves, toasters, electric grills including the George Foreman type, and bread makers.
9. Bike storage is allowed in rooms and winter bike storage is available in the Gullixson Hall basement storage area.
10. Drawing and painting are not permitted on the walls, ceilings, desks, etc., including the use of washable markers.
11. Alcoholic beverage containers or the cartons they come in are prohibited in the residence halls. Similarly, signs, lights, and other materials advertising alcohol are not permitted as decorations in the rooms or in windows. More information can be found in the **Drug and Alcohol Policies** of the Student Guidebook.
12. Public street and road signs are prohibited as decorations.
13. Flammable materials such as tapestries and parachutes, may not be hung from the ceiling. Any open flame, such as the burning of candles, incense, etc. is prohibited.

15. Carpeting or rugs are permitted in the rooms, but they may not be attached to the floor in any way. Rubber or foam backed carpeting is prohibited by City of Mankato fire code.
16. Natural Christmas trees and trimmings are prohibited; only fire-proof Christmas decorations and U.L. listed fire-retardant Christmas tree lights may be used.
17. Outlet strips must be U.L. listed and be equipped with a circuit breaker.

18. Pets, other than fish, are not permitted (10 gallon tank max). For information related to service animals on campus, please contact the Academic Resource Center or the Office of Residential Life.
19. The riding of bikes, scooters, skateboards, hoverboards, roller blades or roller skates inside of campus buildings is prohibited.

- When there is a need for improvements or maintenance.
- When there is concern for the safety, health, or welfare of the students.
- When a staff member has probable cause to believe that a violation of federal or state laws, or college policies or regulations is occurring or has occurred in the room.
- When a room inspection or search has been authorized.

Tobacco-Free Buildings and Residences

The use of tobacco in all its forms (including e-cigarettes) is only permitted in designated outdoor tobacco use areas. Use is not permitted inside of any college building. This includes all residential spaces and personal rooms on campus. Please see the complete "**Tobacco-Free Buildings**" statement found in the Student Services section of the Student Guide for additional information.

Safety Inspections, Entry, and Search

Entry and Safety Inspections

Bethany respects the privacy of students and, as a general rule, will not enter student rooms without invitation. To insure that the rooms are in accord with local health and fire regulations, to enforce the policies of the College, or to protect college property, there are times when periodic inspections of student rooms may take place. The College will notify students when scheduled safety inspections will occur, however, there may be times when inspections are unannounced.

The College reserves the right to enter a room without the consent of students under the following circumstances, such as but not limited to:

Room Search

Room searches will occur when probable cause is believed to exist. Rooms will not be searched unless authorization has been given by the **Dean of Students**, Director of Security Services, or Residential Life Staff (or their designees). The search of all rooms on a floor, in a hall or house will be authorized and conducted only when continual or flagrant violations of a college rule or federal, state or other law occur or are suspected. Residential Hall and room searches by local authorities (such as a canine unit) may be conducted as situations warrant.

Residential Hall Security

Residential halls are locked 24 hours a day for resident safety. Students are required to carry their assigned access fob with them to enter the building at any hour.

All visitors or delivery personnel are to be met at the lobby entrance and granted access by the person they are visiting (See **Visitation Hours** and **Visitors and Overnight Guests** registration policy). Residential students need to inform guests on how to reach them. Campus security is enhanced when all members of the campus community work together in providing a safe environment. When passing through a

security door, such as the main entrance to a residential hall, do not allow strangers to enter along with you. Direct guests to contact the resident whom they wish to visit for access to the residence hall. If anyone harasses you for denying them access, contact the Resident Hall Coordinator or **Security** immediately. If they have an emergency, again, direct them to call the Residential Hall Coordinator, Security, or police for assistance.

Tampering with Safety/Security Measures on Campus

Tampering with the various safety and security measures Bethany has provided is prohibited. To enhance security, do not prop open doors, tamper with controlled access points, alarms, security cameras, emergency phones, fire extinguishers, locks, window latches, or remove screens. Tampering may result in conduct sanctions, fines, and/or criminal prosecution. Please "think safety" and immediately notify **Campus Security** or Residential Life Staff regarding problems, safety concerns, necessary repairs or inappropriate/suspicious behavior. Working together enhances safety for all at Bethany.

Resident Hall Visitation Hours

Visitors and guests are invited to visit their friends on campus. Men are allowed in the women's residence halls and women are allowed in the men's residence halls only during the times known as visitation hours:

- Monday – Thursday: 5 p.m. – 11 p.m.
- Friday: 5 p.m. – 12 a.m.
- Saturday: 12 p.m. – 12 a.m.
- Sunday: 12 p.m. – 11 p.m.

- All guests must sign in/out of the Visitor Log at the RA desk, providing complete information requested.
- The clock located in the res-hall lobby is used as the official time regarding visitation hours.
- All off-campus visitors are to adhere to the policies of Bethany Lutheran College and guest privileges may be revoked for uncooperative conduct.
- Students are responsible for the conduct of their guests, including compliance with college policies, property damage, or injury to other students.
- The College does not permit members of the opposite sex to stay overnight in a residence hall.
- Visitation hours are subject to modification for special events.

Violating visitation hours and/or failure to properly sign in/out on the Visitor Log may result in **sanctions** (e.g. possible restrictions, fines, or suspension of privileges) pursuant to the Student Guidebook. Standard sanctions for visitation hour violations have been developed and are as notes on the following chart "Standard Sanctions for Visitation Hour Violations." Visitation Hour sanctions may be modified based on mitigating or other circumstances as appropriate.

Quiet and Courtesy Hours

Quiet Hours: 11 p.m. – 8 a.m.

Bethany is committed to maintaining a residential environment that is comfortable and supports students during their academic pursuits. Quiet and courtesy hours assist in maintaining that environment.

Courtesy Hours: 24 Hours a Day

Regardless of quiet hours, students are expected to be courteous of other residents at all times. Please respect other students' rights to sleep, study, and not be disturbed. Noise levels must be lowered at the request of a resident staff member or any other student residing in the area. Out of consideration for Bethany's neighbors in the community, stereos may not be directed out of windows.

Bike Storage and Summer Storage

Bike Storage

Bike storage is allowed in rooms. Students are welcome to use the outside bike racks during the warmer months. The use of a bicycle lock is strongly advised. Over the winter months between November and March, students are able to store bikes in the lower level of [Gullixson Hall](#). Contact the Gullixson Resident Hall Coordinator at 344-7600. Bikes must be clearly tagged. Permission must be received to store bikes over summer.

Summer Storage

Bethany has limited space for the storage of personal belongings. Specific inquiries about renting a storage locker may be directed toward the Business Office. Anything found in the residence halls after the resident completes the check-out form, or is no longer living in residential housing, will be considered College property and may

be disposed of in a manner in which the College sees fit without financial liability. Students are encouraged to protect their belongings with appropriate insurance coverage as Bethany is not responsible for lost, stolen, or damaged property.

Vending and Laundry Machines

Vending and laundry machines are provided by a third party entity for the convenience of our students. Any loss of money in vending or change machines should be reported to the [Business Office](#) for refunds. If laundry machines are not working properly, contact your Resident Hall Coordinator.

Visitors and Overnight Guests

If guests will be staying overnight, the host must talk to their Resident Assistant or Hall Coordinator, and complete an Overnight Guest Form. Minors (those under the age of 18) must also have a parent or guardian sign the form. Copies of the Overnight Guest Form are downloadable below, or can be obtained from the Office of Residential Life or the Admissions Office.

All guests are expected to abide by the same rules that apply to students and it is the responsibility of the host to ensure that the guest is aware of campus policies. In addition to filing with Res-Life staff, overnight guests are asked to limit their stay to two nights and register their vehicle with a temporary parking permit at the Business Office.

The College does not permit members of the opposite sex to stay overnight in a residence hall.

Vacations and Interim Housing

All residence halls will be closed to visitation when school is not in session. These breaks include Thanksgiving, Christmas, Spring Break, and Easter vacations.

NOTE: During Christmas and Spring Breaks, the res-halls close and residential students must vacate as housing fees do not cover these breaks. Students wishing to stay in the halls during these times because of extenuating circumstances must receive authorization from the Residential Life Office and are subject to additional lodging charges. Exceptions for students to reside on campus over breaks are extended to students who are part of a college-sponsored activity (i.e., basketball, theatre), international students, or live in on-campus apartments.

Living & Renting in Mankato

Students who are eligible under Bethany's residential policies to live off-campus, may find the City of Mankato info page on living and renting in Mankato beneficial. - [Grievance Policy](#)

General Guidelines

Individuals living in a community are responsible for their behavior as it affects themselves, other individuals, and the community around them. Standards and policies are implemented to safeguard the satisfaction and wellbeing of the individual as well as the entire community. In the Bethany community, those standards and policies are formulated under the following guidelines:

- Federal, state, and local laws.
- College rules and regulations as stated in the Student Guidebook.
- The answer given by Christ, Himself, when asked for the greatest commandment:

"Love the Lord your God with all your heart and with all your soul and with all your mind. This is the first and greatest commandment. And the second is like it: Love your neighbor as yourself. All the Law and the Prophets hang on these two commandments." (Matthew 22:37-40)

Adherence to the first two points above would ensure order. However, the overriding guide in the Bethany community

is the third - the law of love, as expressed in the Scriptures. This standard, of the highest degree, is set toward creating an optimal learning and living environment for the Bethany student while equipping him/her for a life of love and service to the larger community.

In any instance, Bethany students will be expected to evaluate their actions and decisions in the light of such questions as:

- Does this glorify God?
- Does this benefit my neighbor?
- Are my actions in accordance with God's loving will as revealed in the Holy Scriptures?
- Has this or will this harm myself or others?

Students are expected to conduct themselves in accordance with the Standards of Conduct as found in the Student Guidebook, and not live in blatant disregard for the moral principles of the College or publicly promote views which are contrary to the College's beliefs as directed by our governing church body, the Evangelical Lutheran Synod.

Guidance From God's Word

As a Christian college, we strive to put into practice the teachings of our Lord Jesus Christ, which He has given through God's Word, the Bible. Our Savior, who has purchased our entrance into heaven, has instructed us, "If you continue in My Word, then you are truly My disciples; then you will know the truth, and the truth shall set you free" (John 8:31-32).

Due to the weakness of our sinful nature, all of us struggle daily with temptations to live contrary to God's Word. We recognize our

own failings and seek His wonderful forgiveness in Christ. When someone is caught up in any sin, it is our aim to address the situation gently and with patience, using God's Word as our guide. The College will offer counsel and assistance to encourage and support the individual's resolve to live consistently with these guidelines.

Standards of Conduct

The Standards of Conduct at Bethany Lutheran College are intended to protect the interest of the Bethany community and provide a safe and productive environment for all. These standards apply to all students. Every student bears responsibility for his or her actions and assumes reasonable responsibility for the behavior of their guests. Bethany encourages all members of the campus community to hold each other accountable for their actions by addressing and reporting incidents that violate the Standards of Conduct. Academic dishonesty falls under the Academic Honor Code and can be found in the Academic Catalog.

The following is a list of misconduct or activities that are considered to be violations of Bethany's Standards of Conduct and/or municipal, state, and federal regulations:

1. Intentionally or recklessly causing physical or emotional harm to any person.

This list is not inclusive of all the standards that will be enforced. Bethany reserves the right to include other standards and regulations for its students that are in agreement or not in conflict with its stated philosophy and objectives. Nothing herein contained shall be deemed a limitation upon the expressed or implied authority or duties of the Board of Regents or the administrative officers of the College.

Sexual Misconduct

Allegations of sexual violence or sexual harassment should be brought under those policies contained in the [Sexual Misconduct](#) sections of the Student Guidebook.

Language

In a Christian community each member is expected to honor God and each other in the manner in which they speak to one another and the words used in conversation.

Sexuality

We recognize that human sexuality is a wonderful gift from God, which He has given as a blessing to be used solely inside of marriage. Following the law of Christian love that compels us to love and honor God first and also to respect and love one another as ourselves, we understand that this gift from God is to be reserved for relations between a husband and wife. All abuses of this gift will be dealt with in a spirit of repentance and forgiveness, as the Scriptures instruct.

Clothing

“Whether you eat or drink or whatever you do, do it all for the glory of God” (1 Corinthians 10:31). We want to glorify our gracious Lord and Savior for all His loving kindness in every aspect of our lives. In keeping with such an attitude, we dress in such a way that is not offensive to our

Savior or others in the Bethany community. We ask that faculty, staff, and students assist each other in how we model Bethany's message of Christ's love and our reaction to His love, so that our Christian freedom will not be misinterpreted.

Sanctions for Violations of Standards of Conduct

When violations occur, one or more of the following sanctions may be imposed:

1. **Warning:** A warning may be in the form of a verbal or written warning or reprimand.
2. **Probation:** Probation is a status with condition imposed for a defined period of time and includes the probability of more severe disciplinary sanctions if the student is found to violate any institutional regulation during the probationary period.
3. **Required Compliance:** Required compliance means satisfying College requirements, work assignments, community service, or other discretionary assignments.
4. **Confiscation:** Confiscation means confiscation of goods used or possessed in violation of College regulations or confiscation of falsified identification or identification wrongly used.
5. **Fines:** Fines mean monetary payment to the College. For the year of this Guidebook publication, maximum fine amounts will not exceed \$200.00 per individual infraction. Fines and fine limits are separate from, and are not to be confused with, restitution (see point 6). Fines must be paid to the Business Office within 14 days from the date and time of issue. Unpaid fines that go beyond the 14-day requirement become delinquent and are added to your college account.
6. **Restitution:** Restitution means making compensation for loss, injury, or damage.
7. **Restriction of Privileges:** Restriction of privileges means the denial or restriction of specified privileges, including but not limited to, access to an official transcript for a defined period of time.
8. **Housing Suspension or Expulsion:** Housing suspension means separation of the student from campus housing for a defined period of time. Housing expulsion means permanent separation of the student from campus housing.
9. **Suspension*:** Suspension means separation of the student from the College for a defined period of time, after which the student is eligible to return to the College. Suspension may include conditions for readmission. The absence is unexcused.
10. **Expulsion*:** Expulsion means the permanent separation of the student from the College.
11. **Withholding of Diploma or Degree:** Withholding of diploma or degree means the withholding of diploma or degree otherwise earned for a defined period of time or until the completion of assigned sanctions.
12. **Revocation of Admission or Degree:** Revocation of admission or degree means revoking a student admission to the College or revoking a degree already awarded by the College.

*Tuition, room, and other fees will not be refunded for students suspended or dismissed for academic or conduct reasons

during the semester. Board plans may be refunded on a prorated basis.

Sanctioning actions may also include communication with parents and/or referral for mandatory counseling as deemed appropriate by the College. The College has identified [Standard Sanctions for Substance and Alcohol Abuse Related Violations](#).

The Dean of Students may convene a Dean's Advisory Committee to assist in determining level of responsibility and/or sanctions. Criminal behavior may also be referred to the police department for investigation.

Appeal Procedure

A student has the right to appeal the decision of a standard of conduct determination or sanction. Students can submit an appeal in writing to the [Manager of Human Resources](#) within five (5) business days of the pronounced sanction. Grounds for an appeal include: presentation of new evidence, concerns about procedural errors and/or an unfair investigation, or concerns about the severity of the sanction(s). The student must specifically communicate how a decision may have been made differently in light of the information provided within the appeal. The appeal will only be reviewed if these conditions are satisfactorily met.

Upon receipt of an appeal, the Manager of Human Resources will forward the appeal to a reviewer (at the vice president level) who was not involved in the original decision. The reviewer(s) may consider all records and information collected in determining the decision, as well as collect any other information determined to be beneficial.

In addition, the reviewer(s) may request an advisory committee to assist in the decision making process by contacting the Manager

of Human Resources who will assemble a panel of faculty and/or staff members from the campus community. After consideration of the appeal, the panel may decide to recommend any of the following:

1. Accept the original determination/sanction.
2. Refer the case back to the original decision maker to consider new evidence.
3. Reverse the original determination/sanction and dismiss the case entirely.
4. Accept the original determination, but reduce the sanction.

Upon review of the file and consideration of the advisory committee's findings and recommendations (if such committee is appointed), the reviewer will render a decision and notify the student in a timely manner. A copy will be sent to the Dean of Students. The appeal decision shall be final.

The Judiciary Process and the Law

Students should be aware that misconduct may subject them to penalties prescribed by municipal, state, or federal law. Bethany does not consider a college campus to be a sanctuary from public law and may report infractions of municipal, state, or federal law to the proper authorities. The imposition of penalties by courts of law does not constitute double jeopardy, inasmuch as college punishment is not criminal in nature. The Dean of Students may take disciplinary action toward a student who is charged with or guilty of a criminal offense. Criminal charges or court decisions do not limit the College in taking disciplinary actions for violations of campus regulations.

Complaints

If a student feels that he/she has been treated in an unfair manner, he/she may appeal a disciplinary decision per the Appeal Procedure, file a grievance per the Grievance Policy, or submit a formal written complaint. Formal written complaints must be submitted to the College officer with the responsibility to handle the complaint. BLC shares information about non-trivial formal complaints with its accreditor, the Higher Learning Commission. Individual identities are shielded in these reports.

Grievance Policy (abbreviated)

Bethany Lutheran College's policies and practices are designed to create optimal work and learning environments for its employees and students. When the occasion arises where an employee or student feels that he/she has been illegally discriminated against and where the issue (e.g., sexual harassment) is not addressed elsewhere in the Faculty Handbook, Administrative and Staff Handbook, or Student Guidebook, the employee or student may use the grievance process to seek resolution of the issue.

The grievance process is restricted to complaints of discrimination as outlined in federal anti-discrimination statutes, state and local laws against discrimination, and College anti-discrimination policies, except where allowed by Bethany's status as a religious institution.

This grievance process is internal to the College and applies to incidents that take place at the College and its affiliated off-site activities or that are related to College operations. Individuals who may use this grievance process are limited to current students and employees.

The College is committed to resolving complaints of discrimination in a timely manner. Students, faculty, and staff are expected to cooperate fully and in a timely way with all investigations into complaints of discrimination. Failure to do so may result in disciplinary action.

Employees and students are not to be penalized or retaliated against for proper use of the grievance process. However, it is not considered proper if an employee or student abuses the process by raising grievances in bad faith or solely for the purposes of delay or harassment, or by repeatedly raising grievances that a reasonable person would judge as having no merit.

The College encourages students and employees to use the internal grievance process. However, employees have the right to file a complaint with the Equal Employment Opportunity Commission (EEOC), and students have the right to file a complaint with the Office for Civil Rights (OCR), U.S. Department of Education, without first using the College's internal grievance process.

Individuals who feel they have been illegally discriminated against may use the grievance process within the following timeframes:

- Employees: within 15 business days of the alleged incident(s)
- Students: within 15 class days of the alleged incident(s)

For purposes of this policy, *class days* includes finals week. If the alleged incident(s) occurs during the last 15 class days of the academic year, a 15 business-day summer timeframe will be used.

Contact the Human Resources office (507-344-7840) to request, in confidence, a copy

of the complete grievance policy and the process to be used for submission and resolution of grievances.

Student Guide - Student Employees
