Entry into the Studio Art Major

During the freshman and sophomore years, each student is expected to complete the freshman studio core and the sophomore studio requirements. In order to gain admission to, and graduate with, the studio art major, students must maintain a 3.0 GPA in all studio courses and a 2.0 GPA in all art history courses.

How to apply for acceptance into the Studio Art major:

1. Complete this application form.
2. Attach an unofficial transcript listing all college courses taken to date (unofficial transcripts may be obtained from the Registrar’s office or on CampusWeb).
3. Prepare a 10-minute electronic portfolio presentation of your work (Powerpoint, Keynote, or equivalent). Include your best work to date and be prepared to answer questions about it.
4. Your electronic portfolio and all application materials are to be presented to the Studio Art Faculty during the annual Major Application Night, typically in the spring semester of your sophomore year (exact dates TBA).

Check all the art courses you’ve taken to date:

◊ 2-dimensional Design
◊ Drawing
◊ 3-dimensional Design
