**Bethany’s Best Week Ever**, our version of new student orientation, is a week designed around you:

- Meet other new students, faculty, and staff
- Learn more about Bethany and the opportunities that await
- Get involved with activities and participate in events

Bethany’s Best Week Ever is designed to get your college career off to a great start!

Throughout the week and your time at Bethany, never hesitate to ask questions.

The following people are designated to assist you during new student orientation:

**Campus Ambassadors** are upperclassmen whose goal is to give you the best experience possible during new student orientation. They will be assisting with events and activities throughout Bethany’s Best Week Ever. Look for them in the red and white tie-dye shirts.

**Resident Assistants (RAs)** are upperclassmen who live in the residence halls. While they will be a great resource for your entire time at Bethany, they also can answer any questions during new student orientation.
